

We celebrated our first ever Cultural Diversity Day recently and pupils loved learning all about Spanish culture! We learnt some facts about Spain and some popular greetings and phrases. We made a Spanish inspired fan and even tried out some flamenco dance moves. We also learnt about Picasso, a famous Spanish artist, before making our own Cubism inspired self-portraits.

We welcome these new members of staff to our team.

School Trips, Charity Events and Celebration Days

We have continued to enjoy lots of fun learning and extra curricular activities this half term. Our Explorers class went on a school trip to Moors Valley. As a whole school we celebrated Deaf Awareness Week, Shakespeare's Birthday and National Space Day.

We particularly enjoyed learning about how to keep our minds and bodies fit and healthy during Mental Health Awareness Week

Safeguarding

Mrs Osborn
Deputy Headteacher
and DSL

Staff have recently completed a piece of work to map out where in the curriculum we are teaching our pupils to be safe at home, online, in the community and in school.

We will share more of this work with you in the future.

The safeguarding discussions with our Ofsted inspector went very well and she was impressed with our processes and safeguarding culture.

"Safeguarding in the school is effective"

Ofsted 2024
